

Risk Disclosure

Different types of investments involve varying degrees of risk. Therefore, it should not be assumed that future performance of any specific investment or investment strategy will be profitable.

Asset allocation may be used in an effort to manage risk and enhance returns. It does not, however, guarantee a profit or protect against loss. Performance of the asset allocation strategies depends on the underlying investments.

This website is intended to provide general information about Bridgford Wealth Advisory and its services. It is not intended to offer or deliver investment advice in any way. Information regarding investment services is provided solely to gain an understanding of our investment philosophy, our strategies and to be able to contact us for further information.

Market data, articles and other content on this website are based on generally available information and are believed to be reliable. Bridgford Wealth Advisory does not guarantee the accuracy of the information contained in this website. The information is of a general nature and should not be construed as investment advice.

Please remember that it remains your responsibility to advise Bridgford Wealth Advisory, in writing, if there are any changes in your personal/financial situation or investment objectives for the purpose of reviewing/evaluating/revising our previous recommendations and/or services, if you would like to impose, add, or to modify any reasonable restrictions to our investment advisory services.

Bridgford Wealth Advisory will provide all prospective clients with a copy of our current Form ADV, Part 2A ("Disclosure Brochure") and the Brochure Supplement for each advisory person supporting a particular client. You may obtain a copy of these disclosures on the SEC website at <http://adviserinfo.sec.gov> or you may contact us at 309-743-1150 to request a free copy via .pdf or hardcopy.
